PAYING YOUR MAINTENANCE FEES

Maintenance fee billings are normally mailed in the fall, for the following year. Fees are payable each year within 30 days of the invoice date, even in cases where you have not used your week. If you are eager to get your vacation request started for any particular year, you may pay your fees in advance of your billing. You will be charged according to the current year fees and will be billed for any difference.

You may pay your maintenance fees easily by:

- a) cheque or money order for the full amount
- b) Major Credit Card, by phoning our Customer Service Department
- c) Payment plans may be set up by phoning the Customer Service Department
- d) Go to our website: www.banffrockymountainmembers.com/member_maintenance.html

Banff Rocky Mountain Resort will make every attempt to send out reminder notices for accounts that are not current. Please remember that your maintenance fees must be current before attending, banking or renting out your Use Week.

Payments not received by the due date are subject to a late charge of 2% per month of the amount past due.

USE WEEK

You have purchased a vacation opportunity, available to you for years to come.

You are entitled to the use of one specific week at the Banff Rocky Mountain Resort each year as stated on your Certificate/Contract. The check-in and check-out days at Banff Rocky Mountain Resort are from Sunday to Sunday.

What are my options for my Use Week?

You may choose to use your ownership week. Ensure your maintenance fees are paid and simply call the Customer Service Department to book your Use Week. You will be provided with a confirmation letter and information package.

Once your Use Week is booked, you may offer your week to a guest. If you choose this option, please call the Customer Service Department to notify them of your guests' arrival. A confirmation letter will be provided in the guests' name for check in purposes.

You may bank your week with an exchange company of your choice. This will allow you to trade your Use Week for something else.

BANKING YOUR WEEK

If you choose not to attend your ownership week at the Banff Rocky Mountain Resort, you must bank your week with an exchange company or it will be lost. It is your responsibility to bank your week – it will **not** be done automatically. There are different exchange companies with whom you may choose to bank your week, so please remember to check with them regarding their policies.

Once you have banked with a particular exchange company, you will make your requests for exchanges with them against your banked week.

Banking with Exchange Companies

If you choose to bank your Use Week with another exchange company, you must ensure your maintenance fees are paid, then contact them directly so that they can process your banking. Once your week has been banked, you must contact the Exchange Company you have deposited your week with to make exchange requests. ***Exchange companies have different banking deadlines and policies, so please check with your chosen exchange company for details.***

If you have previously scheduled your Use Week to Attend or have a Guest Attend, you may cancel and bank your Use Week, subject to confirmation of the banking by your chosen exchange company. Keep in mind, their banking deadlines still apply.

Once your banking has been processed and confirmed, you should receive a Banking Acceptance Letter, which acknowledges that your week is banked and provides you with the expiry date of that banking. Should you not receive such proof within 2 weeks after your banking request, please contact your chosen exchange company to verify your banking status.

When requesting multiple weeks or units, you must be prepared to confirm on 1 week or unit at a time, as they become available.

BONUS WEEKS

Bonus Week time is created from unused owners' weeks and space banked with exchange companies but left unused. The Bonus Week program is meant for your personal use and for your immediate family. Bonus Weeks cannot be banked or rented.

The Bonus Weeks are only available at the Banff Rocky Mountain Resort. There are no limits to the number of weeks you can book, however all bookings are based on availability and there are black-out times. The nightly rate equals the current Bonus Day Rate. Once booked, the payment is required at time of booking and the reservation becomes non-cancellable and non-refundable. The Bonus Weeks are blacked-out and not available Spring Break week; Easter Week; from mid-June to mid-September and over the Christmas and New Year's weeks.

If you work with an Exchange Company, they may have a similar program to our Bonus Weeks, but they may be called either a Bonus Week, Getaway or Great Escape. You would have to discuss with your chosen exchange company the programs they offer and their rates and booking process.

RENTING OUT YOUR USE WEEK

As a pre-paid vacation owner, you have the option of renting out your Use Week. There are several ways that you may wish to do this, including advertising in a newspaper, through work, on the internet, or listing with a rental company. When dealing with the various companies that offer these services, we recommend that you take the time required to investigate the company prior to placing your unit or ownership with them. Once you have a guest for your week, you must advise Customer Service so that we can book your guest and send out a confirmation letter.

RESALE OF YOUR PROGRAM

As we are not licensed to handle resale we do not provide those services. We have compiled an information guide to provide some assistance to our members who require such services. You can download the current Resale Guide from our website, found at www.banffrockymountainmembers.com/member_resale.html

It is ***imperative*** that you review the current Resale Guide from our website:
www.banffrockymountainmembers.com/member_resale.html

There is **NO** company authorized to act on BRMR's behalf. We **DO NOT** recommend any so called companies to handle with any resales, or 'trade-ins' or the 'get out of your contract' as these companies take money and never follow through. Unfortunately, there is little legislation to protect the consumer – so it is *Seller Beware*.

If you have questions or concerns about your contract, **you need to contact our Customer Service office directly** to discuss options before working with a 3rd party. This is to protect you as there are a number of scams and fraudulent companies out there.

Remember – If it sounds too good to be true, it generally is.
